# About COLMI

Established in 2012, Shenzhen COLMi Technology Co., Ltd is a high-tech company focusing on the R&D and manufacturing of smart wearable products.

With high-quality products and next level customer service, we have more than 50 COLMi brand agents in more than 20 countries and regions. We are also the OEM and ODM partner of well-known smart wearable brands in many countries.

We hope to use our more than ten years of industry-leading experience to help you succeed in the smart wearable market.
